FROM THE WHEAT FIELD, MILLED FOR YOUR BAKERY

What started in Missouri as a passion for wheat farming has grown to become a trusted brand for quality wheat flour to bakers nationwide. Knoxbridge Mills® flour comes from America's finest wheat fields, bringing together the heritage and love of wheat farming and the passion for baking to deliver the industry's finest wheat flour.

Available in a wide range of protein levels and treatments, Knoxbridge Mills flour helps to ensure your bakery delivers what your customers know and love - the finest bakery creations made only from the best ingredients available.

We can also help customize any Knoxbridge Mills flour to best fit your preferences and baking needs. For flour specs or more information on customized flour solutions, please email us at support@knoxbridgemills.com.
