

PREMIUM FLAVORS

IF IT'S WESTCO ... IT'S PERFECT

Quality and Consistency You Can Rely On

Emulsions are premium flavors that have been specially formulated so they will perform with maximum residual flavor after the baking process. They have better residual flavor because they contain the complete essential oils, including the waxes and other natural fixatives that are not soluble in extracts.

Westco Emulsions come in three main categories of flavors: Citrus, Dairy and Nut & Spice. All flavors work extremely well in finished products that have a relatively moderate to high fat content. Emulsions can be used in low fat or no fat formulas, such as foam cakes (i.e. Angel Food), but should be added at the very end of the mixing cycle.

Item #	Description	Pack / Size	Item #	Description	Pack / Size
12037	STC. N&A Butter Flavor	1 / 1 GAL	12171	Cream Bokay	1 / 1 GAL
