

SUPER SPEEDEE GLAZES

IF IT'S WESTCO ... IT'S PERFECT

The Baking Industry's Finest Donut Glazes

SUPER SPEEDEE GLAZE

Super Speedee Glaze, unlike traditional glaze recipes, requires only the addition of hot tap water. There's no need for adding sticky corn syrup or expensive stabilizers for a shine that will last and last. Super Speedee Glaze is also the ideal sugar for scratch donut and dipping icings, providing the shine and adherence you need. Because of its fine grind, Super Speedee Glaze is also perfectly suited for smooth buttercremes.

SUPER SPEEDEE HP GLAZE

Super Speedee HP Glaze is a high performance glaze that creates an extra barrier that extends the shelf life of your creations and helps to lower your food costs.
