BAKEsense

Sensible Baking Solutions.

Working with the right ingredients is key to operating a successful bakery, and when it comes to quality you trust, every day - trust the BakeSense® line of Bakery Tissue.

FDA approved for direct food contact and available in two great sizes, BakeSense Bakery Tissue is made from thin, but durable, tissue paper and comes waxed or unwaxed.

BakeSense Bakery Tissue comes interfolded in convenient dispensing boxes and offers an easy solution for handling baked goods, deli foods and candies.

Microwaveable, recyclable and elemental chlorine free (ECF), this line helps you meet today's demand for environment-friendly products and is great for donuts, cookies, muffins, cupcakes, ice cream cones, churros, burgers, hot dogs, etc.
