SHORTENINGS & OILS

Quality you trust, every day.

BAKEsense

Sensible Baking Solutions.

Working with the right ingredients is key to operating a successful bakery, and when it comes to quality you trust, every day - trust the BakeSense line of shortenings and oils. Available in a wide variety of types and applications, this line delivers the quality and consistency you expect.

Whether you're frying donuts, baking (cakes, muffins, pies, breads and cookies) or making icings, you can count on our BakeSense line of Shortenings and Oils to provide the right flavor, tenderness, volume and texture for virtually any of your applications.

The entire line of BakeSense Shortenings and Oils is free of partially hydrogenated oils (PHO) to help you meet today's demand for better-for-you products without sacrificing quality.
