

CRÈME CAKE MIXES

IF IT'S WESTCO ... IT'S PERFECT

Versatile mixes for moist, rich cakes.

Crème Cake has always been a popular item in many bakeries and donut shops. This moist cake was originally created by combining a high ratio cake type batter with a custard or pudding, hence the name, Crème Cake. Bakers have long discovered that the versatility of Crème Cake mixes lends them well to all types of applications, including ring cakes, loaf cakes, and even cookies.
