## **Bioterrorism Statement**

Dear Valued Customer,

BakeMark prioritizes the security of the supply chain at all our facilities. All locations are registered with the Food and Drug Administration in accordance with the Bioterrorism Preparedness and Response Act of 2002.

A Food Safety and Security Policy is in place to prevent adulteration of products or threats to the company and includes:

- Access for authorized personnel with keycard requirements for entry.
- Strategically placed lighting.
- Camera monitoring of property and production.
- Visitors sign in and escort during their visit.
- Vendor qualification of our suppliers.
- Product and paperwork inspection upon delivery.
- Restricting truck drivers to the Shipping/Receiving area.

Best Regards,  
Dhurpatti Keogh  
Regional Quality Director
